

**SAVE THE DATE** and encourage your child to begin brainstorming ideas. Watch for an announcement in mid-October about how the Science Fair will be held virtually.

## South Fayette K-5<sup>th</sup> Grade

# VIRTUAL SCIENCE & INVENTION FAIR

We will be using FlipGrid this year to showcase all student projects. Stay tuned for more information on how your child can participate using this fun and easy video platform.

All projects must be submitted to FlipGrid, using a unique CODE, by:  
**Thursday, November 12, 2020**

Students can upload a short video by November 12<sup>th</sup> with a description of their project. We will open the Science & Invention Fair for viewing on November 13<sup>th</sup>. FlipGrid instructions and the unique CODE coming soon!

\*We strongly recommend working individually or with siblings to maintain social distancing\*

## Calling all South Fayette Junior Scientists & Inventors!

- Kindergarten through 5<sup>th</sup> grade students are invited to conduct their own science experiment or make their own invention.
- This is a great opportunity for your child to investigate his or her own question or invent a solution to a problem and share their findings.
- For project ideas and additional resources, you can visit the following websites:
  - ✓ [sciencebuddies.org](http://sciencebuddies.org)
  - ✓ [Science Fair Project Ideas](#)
  - ✓ [BrainPOP Jr. Scientific Method](#)
  - ✓ [The Steps of the Scientific Method for Kids](#)
