Re: A New Take For This Year's Yearbook

Hello Parents!

This year, South Fayette Elementary and Intermediate is using TreeRing to make our yearbooks. We made the switch to TreeRing for two reasons:

- Custom Pages: Every student gets a one-of-a-kind printed copy of the yearbook, containing two free pages that they can customize with personal photos.
- Buy a Book, Plant a Tree: TreeRing plants a tree in our school's name whenever someone from our school purchases a yearbook. (And here's a bonus: They print on recycled paper.)
